

A letter to my Partnership Team from a local Tauranga girl

Michelle

I'm a local Tauranga girl who really believes in what Kari is doing at the Tauranga House of Prayer. I came to know about the house of prayer through a friend who started going to the worship intercession nights each Friday night. I work full-time and at the end of a five day week, it's great to go and spend time in the prayer room on a Friday night. To me, it is an oasis for my soul and it's a place I can go and just 'be'. It's also a place open for anyone to come –and they do! We are so privileged as the Body of Christ in Tauranga to have the house of prayer here.

It always amazes me how Kari and others have dedicated themselves to prayer for our city, our nation and the nations. Honestly, if we only saw the direct impact of all their prayers in the lives of people, I'm sure more people would support them. It truly is an incredible mission. I read a great quote once by A.W. Tozer "Prayer is not something we do before the work, Prayer is the work." It got me thinking about work of the house of prayer and how necessary what they do is!

Kari has become a great friend of mine after meeting her in the prayer room. She's such an inspiration and as well as encouraging me in my walk with God, she is always a lot of fun to hang out with! I asked her if I could write something to you, her supporters at home to tell you about the house of prayer through the eyes of a local who personally sees the great work they do.
